\_\_\_\_\_ **3. The maintenance dredging operation is complete.** The dredging project has been completed and a final monitoring report and evidence verifying post-project dredge dimension, if required in the Notice of Applicability, have been submitted to the Regional Board Office along with this NOT. Unless all the required information is submitted in addition to this NOT, this NOT will not be approved by the Regional Board and you will be required to continue paying the Annual Fee.

**IV. CERTIFICATION**

I certify under penalty of law that 1) I no longer require coverage under the Marina General Permit No. R6T-2005-XXXX, and 2) this document and all attachments were prepared under my direction and supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. I understand that the submittal of this Notice of Termination does not release a facility operator from liability for any violations of the Marina General Permit or the Clean Water Act.
